

Parke County Taxes
Property Tax Rates Overview
School Districts, County, Towns, Townships, and Other
Tax Rates on Each \$100 of Taxable Real and Personal Property

The Property Taxes you pay depend on two things, your Tax Rate, and the Assessed Value of the property you own. Another document will address the Assessed Valuation.

To get your personal Property Tax Rate, add the tax rates for your School District, Parke County, your Town or Township, and the State of Indiana. If you have library service or live in the Conservancy District, add those rates.

Fund	Rate \$/\$100 AV
